Please be advised that JCV Productions – Professional Video Services will provide digital videotaping of the upcoming spring recital to be held at McFarlin Auditorium at SMU Campus on May 17th at 7:00pm and May 24th, at 6:00pm.

WHAT YOU WILL SEE ON YOUR VIDEO Your keepsake will consist of a wonderful open music video segment that will include various shots of the performers “behind the scenes.” This music video is a wonderful part of the keepsake. So if you notice a video camera being pointed in your direction, give a big smile and wave! This will personalize your video.

THE FEATURE PRESENTATIONS Two professional broadcast digital video cameras will be used to capture the program. One camera will establish the entire group, while the second camera will provide wonderful close-up shots. We will utilize a combination of the two views to provide the best possible keepsake.
